

Commercial Installation Engineer

Paine Manwaring Limited is a long-established Mechanical and Electrical Contractor employing 106 staff providing installation and maintenance services from offices in Worthing and Chichester.

We currently have an exciting opportunity for an experienced commercial installation engineer to join the growing commercial department within this long-established and highly respected contractor.

The main aim of the position is to carry out commercial plumbing, heating and gas installations to both our commercial customer base.

The Installation Engineer must have experience of working within a commercial environment. You must have the ability to use your own initiative and good customer liaison skills are a necessity, as are overall verbal and written communication skills.

The role requires the ability to work to set timescales, diligence and attention to detail. A pleasant professional personality, customer liaison skills, and the capability to multitask are also desirable attributes.

You will be provided with a van, mobile phone, as well as uniform.

Responsibilities include:

- * Installation of commercial pipework and gas appliances
- * Good Knowledge of commercial installations
- * General plumbing
- * Completing Gas certificates to ensure compliance.

Qualifications

The applicant must have the following qualifications

CCN1

Unvented

It would also be preferable if applicants hold the following qualifications:

CODNCO1

TPCP1

Remuneration Package

- Competitive salary depending on experience
- Pension Options
- Company Events

Commercial Installation Engineer

- Sick Pay
- Friendly and supportive office environment, as well as genuine career progression opportunities - scope to progression to commercial gas qualifications, within the company.

Applicants will be working 45hours per week.

Job Types: Full-time, Permanent

Salary: From £35,000.00 per year

Benefits:

- Company events
- Company pension
- Sick pay

Schedule:

- Monday to Friday

Experience:

- commercial installation: 3 years (preferred)

Licence/Certification:

- CCN1, Unvented qualifications (preferred)
- Driving Licence (preferred)
